PIPING CHEMICALS

JANUARY 2025

PIPING CHEMICALS

SUPERDOPE ANAEROBIC THREAD SEALANT

State of the Art Anaerobic Thread Sealant that chemically hardens in the absence of air into a tough, structural solid.

- Will not loosen, set or shrink
- Only put on 1st, 2nd & 3rd threads ...uses less material
- Cures to pipe burst pressure
- Pipe joints and fittings are locked against vibration loosening
- Seals regardless of a multitude of mistakes

TUF-GLIDE THREAD SEALANT WITH PTFE

- The thread sealant that started it all for ARGCO back in the 1980s.
- Pipefitters Report that Tuf-Glide is Easier to apply, easier to pull up on pipe wrench, greatly reduced effort and eliminates leaks.
- Sticks to hot, oily pipe, drips less, and saves oil, dies and money!

SUPER WELD ANAEROBIC WELD SEALANT

- Low viscosity porosity sealant
- Seeks out casting irregularities and penetrates the smallest pores or cracks
- Wicking adhesive sealant prevents loosening of metal threaded fasteners
- Fluorescent under UV lamps for inspections
- Comparable to Loctite* 290

*LOCTITE IS A REGISTERED TRADEMARK OF LOCTITE CORP. NEWINGTON, CT

PIPING CHEMICALS

THREADING OIL

DARK: Sulfur added to prevent metal-to-metal contact, and reduce friction & heat build-up.

LIGHT: Light mineral oil base provides better lubrication and heat dispersion characteristics and prevents binding and catching of dies.

Available in 1 Gallon Jugs and 55 Gallon Drums

WHY ARGCO?

Since 1981, ARGCO has been saving contractors significant money on quality products they use every day.

Argco Factory-Direct Pricing:

Volume Structured Savings from case through pallet quantity to Factory-Direct Container pricing.

Service Commitment:

Place your full box order by 9:30 am and in-stock items will go out that Same Day.
Click here to see if you are within One-Day Shipping

Guaranteed Quality:

We stand behind our own brand, our own product.
Same UL and FM listings and certifications as our competitors.
100% "No Questions Asked" Return Policy.

Inventory:

West Coast , East Coast and Midwest Warehouses.
One or Two day delivery to most locations in the U.S.

Innovative Products:

Argco's investment in engineering is developing new time-saving tools.

Benefits of Online Buying:

Place your orders 24 hours a day, with your contractor discount.
•Check our \$8 million live in-stock levels, online.
•Complete anonymity. You don't have to deal with a sales rep if you prefer.

Free Samples:

Check out our quality first.
Call for free samples before you buy.

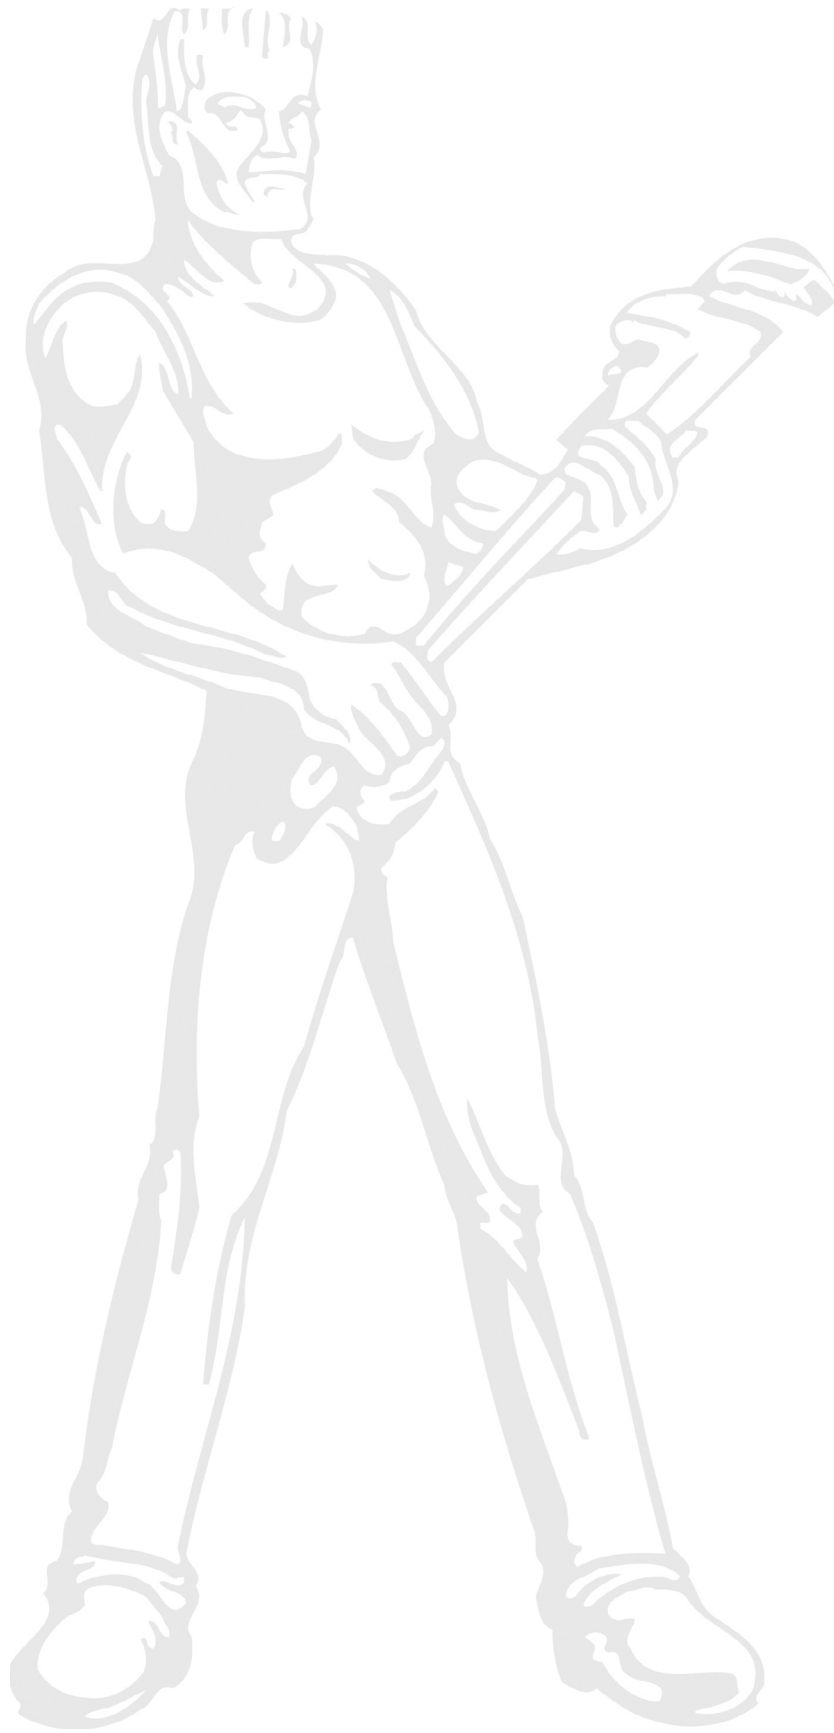

Industry Support:

We are proud active members of the AFSA, NFSA , NFPA & SFPE
